

ID Card/Pioneer Card

The TWU student identification card is issued upon registration for the first semester a student is enrolled. All students are required to carry a TWU student ID card and to make it available upon request to academic and administrative officials. The TWU ID Card is non-transferable. Fraudulent or unauthorized use warrants confiscation of the ID card. Anyone who uses this card to give false information is subject to university discipline and appropriate criminal prosecution. There is a \$10.00 replacement fee for lost, stolen, or discarded IDs. If you have a video image photo ID card from a previous semester, activation is updated automatically based on enrollment.

Student IDs at the Denton campus are distributed at the ID Card Office (<http://www.twu.edu/id-services>) on 3rd floor of Jones Hall, 940-898-3565. Dallas campus IDs are available at the Student Life Office, 3rd floor, 214-689-6690. Houston campus IDs are distributed at the Student Life Office, 2nd floor, 713-794-2157.
