

# COUNSELING AND FAMILY THERAPY CLINIC

---

The Counseling and Family Therapy Clinic (<https://twu.edu/counseling-family-therapy-clinic/>), housed within the Department of Human Development, Family Studies, and Counseling (<https://twu.edu/human-development-family-studies-counseling/>), is open to the public and provides counseling for families, couples, groups, and individuals, both adults and children. Clients can choose between in-person and telehealth services. Clinical services are provided by graduate students in the Counseling & Development and Marriage & Family Therapy programs. All therapists and counselors are supervised by a clinical director and clinical faculty who have earned doctoral degrees and maintain licensure in a mental health discipline.

The Clinic is located in WH 114 on the Denton campus.
