

# DIVISION OF BIOLOGY

---

**Web Site:** <http://www.twu.edu/biology>

## Policies

The following policies apply to all students in the Division of Biology:

1. A minimum grade of C is mandatory in all required courses for Biology and Medical Laboratory Sciences majors. If a student earns a grade of D, F, or W in a required course, the student must repeat the course and earn at least a C.
2. Students receiving a grade of D, F, or W in a required course in the Biology or Medical Laboratory Sciences major may not progress to courses for which that course is a prerequisite.
3. The Division of Biology will allow students to drop a lecture course but not the co-requisite lab OR lab but not the co-requisite lecture. However, this is possible only after the sixth week of the semester.

These policies are in addition to the state of Texas and university academic policies listed in the TWU Catalog. Exceptions will be considered on a case-by-case basis.
