

BACHELOR OF SCIENCE IN MATHEMATICS (7-12 MATHEMATICS CERTIFICATION)

Web Site: <https://twu.edu/mathematics/undergraduate-programs/>

The B.S. in Mathematics 7-12 Mathematics Certification program prepares educators to expand their understanding of mathematics through the study of a wide variety of mathematics and receive pedagogical preparation within a mathematical context. The need for quality 7-12 mathematics teachers in our schools is great and abundant career opportunities exist for qualified individuals. At TWU, small class sizes provide quality learning environments and active engagement with an outstanding and dedicated university faculty.
