Marketable Skills

Defined by the Texas Higher Education Coordinating Board's 60x30 Strategic Plan (<https://reportcenter.highered.texas.gov/agency-publication/miscellaneous/thecb-60x30-strategic-plan/>) as, "Those skills valued by employers that can be applied in a variety of work settings, including interpersonal, cognitive, and applied skills areas. These skills can be either primary or complementary to a major and are acquired by students through education, including curricular, co-curricular, and extracurricular activities."

- a. Implement interventions to affect change and/or enhance wellness in diverse individuals and groups.
- b. Exhibit professionalism, ethics, and leadership for health professionals in both their job duties as well as their relationships with co-workers, other professionals, and patients/clients.
- c. Employ appropriate professional skills in a healthcare setting.
- d. Communicate instruction and appropriate health information to patients/clients.
