

# CAMPUS ALLIANCE FOR RESOURCE EDUCATION (CARE)

---

The CARE (Campus Alliance for Resource Education) (<https://twu.edu/care/>) Office supports University retention efforts by offering wraparound services to address basic needs and supporting non-traditional students (including veterans, students with children, and students who have experienced foster care). The CARE Office (<https://twu.edu/care/>) connects students with University and community resources, specialized programming, and staff. Students experiencing a financial or basic needs crisis may request an appointment to be connected with a staff member quickly.

The CARE (<https://twu.edu/care/>) Office provides students with information about child care, off-campus housing, non-traditional student scholarships, a holiday gift program, student organizations, special events, commuter tips, information on transportation, and more. Additionally, students receive personalized resource referrals, financial well-being strategies, and meaningful connections to dedicated staff.
