

CARE (FORMERLY COMMUTER AND NON-TRADITIONAL STUDENT SERVICES)

Texas Woman's University is committed to meeting the unique needs of commuter and non-traditional students (including veterans, students with children, adult learners, and students who have experienced foster care). The CARE (<http://www.twu.edu/commuter/default.asp>) Office, located in the Denton Brackenridge Hall room 209, connects students with University resources, specialized programming, and staff.

The CARE (<http://www.twu.edu/commuter/default.asp>) Office provides students with commuter tips and information on transportation (carpooling, bus schedules & parking), off-campus housing, child care, non-traditional student scholarships, holiday gift program, student organizations, financial wellness programs, special events and more. Additionally, students receive personalized resource referrals, financial well-being strategies and meaningful connections to dedicated staff.
