Admissions

Auditions

If you are interested in pursuing a music degree at Texas Woman's University, you will need to complete an application as well as an entrance audition. You also may choose to compete for a number of scholarships (<https://twu.edu/music/scholarships/>) that are available to new and transferring music students each year. These are awarded based on musical excellence, as verified through a performance audition or music theory/sight singing assessment, and are supported by teacher recommendations.

Step-by-Step Guide

1. All applicants must meet the general undergraduate admission requirements (<http://catalog.twu.edu/archives/2020-2021/undergraduate/admission-information/>).
2. Fill out the Music Entrance and Scholarship Audition Application Form (<https://twu.edu/music/auditions/audition-form/>) and submit online. Please fill out the form completely before submitting. Incomplete applications will not be accepted.
3. A letter of recommendation must be emailed from your current private teacher or ensemble director to musicrecruiter@twu.edu and received prior to the audition.
4. Audition.
 - See the Music audition dates website (<https://twu.edu/music/auditions/>).
 - Your total audition performance time will average 7–10 minutes in length.
 - Instrumentalists should prepare two selections from the standard repertoire for your instrument. The audition may include scales and sight reading.
 - Pianists should perform pieces representing at least two different style periods (Baroque, Classical, Romantic, 20th Century).
 - A live audition is preferred, but a high-quality DVD may be sent to Texas Woman's University, P.O. Box 425768, Denton, TX 76204-5768 and marked "Attention: Entrance Audition" OR online links may be emailed to musicrecruiter@twu.edu. The deadline for receipt of the audition video is February 15, 2021.

5. Participate in a placement evaluation.

- Transfer students:
 - If your performance audition time is before 3 p.m., plan to stay approximately 1 hour afterward for a music theory/sight singing assessment.
 - If your audition time is 3 p.m. or later, report for the music theory/sight singing assessment 90 minutes prior to their audition.
- First-time in college (FTIC) students:
 - If your performance audition time is before 3 p.m., plan to stay approximately 30 minutes afterward for a music theory/sight singing assessment.
 - If your audition time is 3 p.m. or later, report for the music theory/sight singing assessment 60 minutes prior to their audition.
