Philosophy

The mission of the philosophy component at TWU is (a) to introduce students to the study of philosophy, in particular major figures and debates in the history of philosophy; (b) to contribute to the undergraduate colleges at TWU by means of core curriculum classes

and a minor in philosophy and finally (c) to contribute to the education of undergraduate students in psychology.

Philosophy may be selected as a minor field of study for the Bachelor of Science degree. For many students, philosophy may be the basis for a liberal education or an area of intensive study before undertaking graduate work. A consideration of and concentration in philosophy is not limited, therefore, to persons who are professionally interested in the field. The minor consists of eighteen (18) semester credit hours, with six (6) semester credit hours required in junior and/or senior-level courses.
