

INTERCOLLEGIATE ATHLETICS

TWU Athletics (<http://www.twuathletics.com>) functions as an integral part of the total educational offerings of the University through the unique competitive learning experiences it provides. TWU Athletics shares with other components on campus the responsibility to contribute positively to the development of the individual student in an environment that empowers and affirms the full development of women.

A proud member of NCAA Division II (<http://www.ncaa.org/d2/>) and the Lone Star Conference (<http://www.lonestarconference.org/>), TWU Athletics is committed to the philosophy of academic and athletic excellence, where *student* comes first in student-athlete. Since 1982, the combined grade point average of all student-athletes each semester has never dropped below a 3.0. Many Pioneers have been awarded post-graduate scholarships and NCAA awards, and some have been honored with the distinction of TWU Distinguished Alumni.

The Pioneers have won conference, regional and national championships. Individual student-athletes have set national records, achieved All-America honors, won medals in the Olympics, and participated on Pan American and national teams representing the United States.
