Marketable Skills

Defined by the Texas Higher Education Coordinating Board's 60x30 Strategic Plan (<https://reportcenter.highered.texas.gov/agency-publication/miscellaneous/theccb-60x30-strategic-plan/>) as, "Those skills valued by employers that can be applied in a variety of work settings, including interpersonal, cognitive, and applied skills areas. These skills can be either primary or complementary to a major and are acquired by students through education, including curricular, co-curricular, and extracurricular activities."

- a. Think critically and creatively including the ability to design, develop, and/or create new applications, ideas, relationships, systems, or projects including artistic contributions.
- b. Communicate effectively including the ability to disseminate new ideas, systems via electronic means, face-to-face methods, and public performances.
- c. Monitoring and organizing processes, materials, and surroundings including the ability to review information relevant to a goal and to develop prioritized steps to achieve these goals.
