

# PROFESSIONAL SCIENCE MASTER'S IN BIOTECHNOLOGY

---

**Web Site:** <https://twu.edu/biotechnology/>

The Professional Science Master's in Biotechnology program is a 30 semester credit hour interdisciplinary program that integrates scientific and business aspects of biotechnology. The program is designed for students who enjoy science, have an interest in business, and want to apply that knowledge working in industry. Our streamlined curriculum is designed with a strong foundation in molecular biology, technology, and business to create a comprehensive program that provides graduates with marketable skills and industry experience, and prepares them for careers in industry.
