Special Requirement

For the M.A. in English, competency in one research tool is required. Students must earn a grade of B or higher in all research tool courses. Students on either track outlined will meet this requirement, thus no additional coursework is required. No course may be used to meet more than one departmental requirement.

Research Tools

Includes 6-12 hours depending on the option selected. Students select one of the following options:

- 12 SCH in the same foreign language at the undergraduate level or 6 SCH at the graduate level (or the equivalent on a proficiency examination)
- 6 SCH of graduate-level American Sign Language
- 6 SCH of graduate-level computer science
- 6 SCH of graduate-level library science (only those concerning collections, information retrieval, and other research courses)
- 6 SCH of graduate-level English courses selected from this list: ENG 5083, ENG 5283, ENG 5343, ENG 5353, ENG 5363, ENG 6083, ENG 6283, ENG 6323, and ENG 6343.

Final Examination

The M.A. in English requires a two-hour oral examination which covers coursework and thesis (thesis option) or a three-hour written comprehensive examination (non-thesis options). The examinations will be taken during the last semester of coursework.

Graduation Requirement

To allow for program-level assessment, MA students must electronically submit one of the following documents, as appropriate for their program, to the Graduate Program Coordinator: the thesis,

the professional paper, or for those on the course work only option, a scholarly paper produced in one of their courses (chosen in consultation with the student's advisor). Submission of the document is a requirement for graduation.

Minor

6-9 SCH, optional. The minor must be in a field in which TWU offers a graduate degree.
