Marketable Skills

Defined by the Texas Higher Education Coordinating Board's 60x30 Strategic Plan (<https://reportcenter.highered.texas.gov/agency-publication/miscellaneous/theccb-60x30-strategic-plan/>) as, "Those skills valued by employers that can be applied in a variety of work settings, including interpersonal, cognitive, and applied skills areas. These skills can be either primary or complementary to a major and are acquired by students through education, including curricular, co-curricular, and extracurricular activities."

- a. Communicate with persons inside and outside the organization. Graduates are trained to be effective communicators in both written and verbal formats.
- b. Plan, organize, and prioritize work. Graduates are trained to be effective leaders and managers, making effective decisions and solving problems as they arise.
- c. Analyze quantitative and qualitative data. Graduates are trained in research methodology allowing them to be able to analyze data in a variety of formats.
