

MASTER OF ARTS IN SOCIOLOGY (CRIMINOLOGY)

Web Site: <https://twu.edu/sociology/graduate-programs/ma-in-sociology-criminology-concentration/>

Marketable Skills

Marketable skills prepare students for success in a variety of professional settings. Developed through academic coursework, co-curricular engagement, and extracurricular involvement, these skills include communication, critical thinking, teamwork, ethical reasoning, adaptability, and digital literacy. Whether directly related to a student's major or serving as complementary strengths, marketable skills enhance career readiness and reflect TWU's commitment to producing graduates who are prepared to thrive in today's dynamic workforce.

1. Explain in oral or written form main sociological theories and use them in analyzing social phenomena, interpreting social events, and solving social problems.
2. Identify and use quantitative and qualitative research methods for research and present results in a research report.
3. Choose appropriate statistical techniques to answer basic research questions, perform basic statistical analysis using computer software, and interpret results.
