Marketable Skills

Defined by the Texas Higher Education Coordinating Board's 60x30 Strategic Plan (<http://www.60x30tx.com/>) as, "Those skills valued by employers that can be applied in a variety of work settings, including interpersonal, cognitive, and applied skills areas. These skills can be either primary or complementary to a major and are acquired by students through education, including curricular, co-curricular, and extracurricular activities."

1. Successfully design and implement a health education/promotion research study.
2. Successfully design a health education/promotion grant proposal.
3. Successfully demonstrate written and oral communication skills through professional presentations and peer-reviewed publications.
