

MASTER OF PUBLIC HEALTH

Web Site: <https://twu.edu/health-studies/graduate-programs/master-of-public-health/>

Marketable Skills

Defined by the Texas Higher Education Coordinating Board's 60x30 Strategic Plan (<http://www.60x30tx.com/>) as, "Those skills valued by employers that can be applied in a variety of work settings, including interpersonal, cognitive, and applied skills areas. These skills can be either primary or complementary to a major and are acquired by students through education, including curricular, co-curricular, and extracurricular activities."

1. Integrate knowledge and skills from the profession and science of public health to improve rural health.
2. Explain how behavioral, biological, environmental, genetic, and psychological factors affect a population's health.
3. Apply evidence-based approaches and methods to improve rural health in Texas.
