

# POST-BACCALAUREATE CERTIFICATE IN ADAPTED PHYSICAL EDUCATION

---

**Web Site:** <https://twu.edu/kinesiology/certificates/>

The School of Health Promotion and Kinesiology offers a graduate certificate in Adapted Physical Education, which requires 15 semester credit hours. The certificate program is designed to develop professionals for leadership positions in adapted physical education within the K-12 school setting. The certificate contributes to research and practice in adapted physical education which contributes to active, healthy lifestyles among this population.
