

MASTER OF SCIENCE IN FOOD SCIENCE AND FLAVOR CHEMISTRY

Web Site: <https://twu.edu/nutrition-food-sciences/graduate-programs/ms-in-food-science-and-flavor-chemistry/>

TWU's Master of Science in Food Science and Flavor Chemistry prepares you for a career as a flavor chemist.

Over the course of the required 30 semester credit hours, you will take classes in food and flavor chemistry, sensory evaluation, and food analysis. You may also declare a minor with this program. A thesis is required.

This program is offered at TWU's Denton campus.
