Marketable Skills

Defined by the Texas Higher Education Coordinating Board's 60x30 Strategic Plan (<http://www.60x30tx.com/>) as, "Those skills valued by employers that can be applied in a variety of work settings, including interpersonal, cognitive, and applied skills areas. These skills can be either primary or complementary to a major and are acquired by students through education, including curricular, co-curricular, and extracurricular activities."

1. Advocate and consult by listening to others, asking appropriate questions, and getting to the heart of the matter.
2. Educate through skilled communication-- adapting and adjusting content delivery based on learner needs to ensure accessibility, engagement, and participation.
