 Marketable Skills
Defined by the Texas Higher Education Coordinating Board’s 60x30 Strategic Plan (http://www.60x30tx.com/) as, ‘Those skills valued by employers that can be applied in a variety of work settings, including interpersonal, cognitive, and applied skills areas. These skills can be either primary or complementary to a major and are acquired by students through education, including curricular, co-curricular, and extracurricular activities.’

1. Promote the distinct value of occupational therapy in the community and among other professionals.
2. Excel in andragogy to educate individuals, groups, and populations in practice, professional venues, and higher education.
