Students can print their own unofficial transcript through Student Self-Service. (<https://selfservice.twu.edu/Student/Student/TranscriptRequests/>) For official transcripts, there is a \$10 charge per transcript request and all outstanding financial obligations to the University must be cleared. For more information on requesting either an unofficial transcript or ordering official transcripts, please visit the Office of the Registrar. (<https://twu.edu/registrar/>)

## Limitations on Right to Review Education Records

Educational records to which students may have access do not include the following:

- Financial records and statements of their parents or any information contained therein, without parents' authorization.
- Records which are "created or maintained by a physician, psychiatrist, psychologist, or other recognized professional or paraprofessional" acting in a professional capacity which are created or used only in connection with the provision of treatment for the student and which are held in strict confidence, provided they may be personally reviewed by a physician or other appropriate professional of the student's choice.
- Working records which are the sole possessions of instructional, supervisory, administrative, and educational personnel provided they are "not accessible or revealed to any other person except a substitute."
- Confidential letters and/or statements written prior to January 1, 1975, and those written with a documented understanding of confidentiality.

## Request to Amend Education Records

A student who believes that information contained in education records is inaccurate or misleading may request that the record(s) be amended. The student should first meet with the administrative or faculty official responsible for the record.

If such a meeting is not sufficient to resolve the difference, the matter should be reviewed by the appropriate dean. If the differences remain unresolved, the student should submit a written request for a hearing to the appropriate Vice President. The student will be informed well in advance of the date, place, and time of the hearing. Opportunity will be afforded the student to present evidence related to the issue in question. The student may be represented by individuals of her/his choice. A decision in writing will be provided to the student within a reasonable period of time after the conclusion of the hearing.

A request to amend a grade, or a hearing to contest the assignment of a grade, is not allowed under this procedure. However, one may contest whether or not the grade was recorded accurately. The procedure indicated above does not apply to placement credentials.

## Student Access

Students may inspect and review their education records upon request and upon completion of a form supplied by the component maintaining the records in question. Access is given to a student within a reasonable period of time, but in no case more than 45 days after the request has been made. An appropriate administrative official or member of the faculty will obtain the record for the student and will be present while the student reviews the record.
