Nursing Policies

Grading

- a. A grade of B or higher must be achieved in all required courses. A student who has earned a grade of less than B (C, D, or F) in two required courses at the graduate level or who has earned a grade of less than B (C, D, or F) twice in the same graduate-level required course will be removed from the nursing program. For the purpose of removal from the nursing program, a grade of less than B is counted as a grade of less than B even if the course has been successfully repeated.
- b. Students admitted to the master's program provisionally, based on GPA, must complete the first 12 semester credit hours of graduate courses with grades of B or better in each course; at least 9 semester credit hours must be in nursing courses. A provisionally admitted student will be dismissed from the program if a grade of C or lower is made in any course during the probationary period.
