## Marketable Skills

Defined by the Texas Higher Education Coordinating Board's 60x30 Strategic Plan (<http://www.60x30tx.com/>) as, "Those skills valued by employers that can be applied in a variety of work settings, including interpersonal, cognitive, and applied skills areas. These skills can be either primary or complementary to a major and are acquired by students through education, including curricular, co-curricular, and extracurricular activities."

1. Analyze major research and theories in the areas of language and literacy.
2. Design, conduct, and disseminate original research.
3. Create and apply expert knowledge in supporting and teaching literacy teaching and learning in higher education.
