A full-time, one-semester clinical student teaching experience in a TEA-accredited school setting.		
OR		
A full-time, two-semester internship in a TEA-accredited school setting in which the student is employed as the teacher of record.		
Total SCHs		30-36

Special Requirements

- Students complete early field experiences prior to clinical student teaching or professional internship. These experiences are designed to introduce students to diverse classroom settings and provide opportunities to generalize course content in an applied setting. Please refer to course descriptions for the number of field hours required for specific courses. The Office of Clinical Practices (<https://twu.edu/office-clinical-practices/>) works with faculty to place students in approved districts; faculty will provide information about required assignments related to field experiences.
- Students must pass all TExES exams (https://www.tx.nesinc.com/PageView.aspx?f=GEN_Tests.html) prior to clinical student teaching or professional internship.
