

BACHELOR OF SCIENCE IN AVIATION SCIENCE

Web Site: <https://twu.edu/aviation/>

The program in Aviation Science prepares students for a career in aviation. In addition to completing flight training in preparation for commercial pilot certification, the program offers robust coursework in all facets of aviation leading to two track options: Professional Pilot and Aviation Management.

Marketable Skills

Defined by the Texas Higher Education Coordinating Board's 60x30 Strategic Plan (<https://reportcenter.highered.texas.gov/agency-publication/miscellaneous/theccb-60x30-strategic-plan/>) as, "Those skills valued by employers that can be applied in a variety of work settings, including interpersonal, cognitive, and applied skills areas. These skills can be either primary or complementary to a major and are acquired by students through education, including curricular, co-curricular, and extracurricular activities."

- **Applied skills:** This program prepares students to earn commercial pilot privileges for operating single-engine and multi-engine aircraft.
- **Critical thinking:** This program prepares students to think critically and analytically in order to develop effective solutions, including in high-pressure situations.
- **Communication:** This program prepares students to communicate effectively on a range of technical and specialized aviation topics to a wide variety of audiences.
- **Teamwork:** This program prepares students to collaborate effectively.

Admissions

All applicants must meet the general undergraduate admission requirements (<https://catalog.twu.edu/undergraduate/admission-information/>). In addition, applicants must

- be at least 17 years old;
- be able to read, speak, write, and understand the English language;
- hold at least a valid 3rd-class medical certificate (1st-class medical certificate is recommended);
- possess a valid Student Pilot certificate prior to first solo flight.

Degree Requirements

Total Semester Credit Hours Required

Students must earn a grade of B or better in all AVS courses that lead to certifications and/or ratings. Students must earn a C or better in all other AVS courses that count toward the major.

Texas Core Curriculum

Code	Title	SCHs
ENG 1013	Composition I	3
