Courses Required for Major

Dance/Movement Practices

Students are placed in modern and ballet through a placement audition and technique exams each semester. The student must achieve the minimum competency level, two semesters of Level 3 in modern dance and two semesters of Level 2 in ballet. If a student is placed in the upper levels, they must still complete the required number of technique credits. The ballet/modern technique requirement is fulfilled by meeting the minimum competency level and presenting the required number of credits. Students will register for one or more technique practice courses per semester. With Chair approval, students may take an additional Summer Dance Intensive to substitute for one Technique Practice credit. Summer Dance Intensives cannot be used to satisfy the Dance Practice competency requirements.
