 Marketable Skills

Defined by the Texas Higher Education Coordinating Board's 60x30 Strategic Plan (http://www.60x30tx.com/) as, “Those skills valued by employers that can be applied in a variety of work settings, including interpersonal, cognitive, and applied skills areas. These skills can be either primary or complementary to a major and are acquired by students through education, including curricular, co-curricular, and extracurricular activities.”

1. Investigation - ability to apply knowledge of current trends in music therapy.
2. Communication - ability to communicate in both oral and written forms.
3. Collaboration - ability to work as part of a team.
