BACHELOR OF SCIENCE IN MUSIC THERAPY

Web Site: https://twu.edu/music/prospective-students/undergraduate-programs/bs-in-music-therapy-degree/

The music therapy program, approved by the American Music Therapy Association, is competency-based providing students with opportunities to build competencies in a number of areas required for the general practice of music therapy. Students must demonstrate mastery of all required competencies, as well as required coursework, prior to graduation. Competency requirements are outlined in the Music Major Handbook available from the departmental office.
