

BACHELOR OF ARTS IN THEATRE (TECHNICAL AND DESIGN)

Web Site: <https://twu.edu/theatre/undergraduate-programs/>

The B.A. in Theatre with an emphasis in Technical Theatre/Design prepares graduates to function creatively and skillfully in a variety of theatre professions with a focus upon the art and craft of technical production and design for theatrical performance and other related fields. The emphasis also prepares students for further graduate work in their chosen field should they choose.

Marketable Skills

Defined by the Texas Higher Education Coordinating Board's 60x30 Strategic Plan (<https://reportcenter.highered.texas.gov/agency-publication/miscellaneous/theceb-60x30-strategic-plan/>) as, "Those skills valued by employers that can be applied in a variety of work settings, including interpersonal, cognitive, and applied skills areas. These skills can be either primary or complementary to a major and are acquired by students through education, including curricular, co-curricular, and extracurricular activities."

1. Creative problem-solving abilities using processes that result in efficient and sound solutions within a budget-conscious environment.
2. Strong, project-oriented time-management skills applied with respect and self-discipline to meet strict deadlines, and achieve goals.
3. Adaptable and flexible to new ideas, concepts, challenges, and roles by having a goal-oriented approach to work and a willingness to accept new responsibilities.
4. Communicate confidently with team members with clear and thoughtful language through verbal, visual, and written communication.
