Marketable Skills

Marketable skills prepare students for success in a variety of professional settings. Developed through academic coursework, co-curricular engagement, and extracurricular involvement, these skills include communication, critical thinking, teamwork, ethical reasoning, adaptability, and digital literacy. Whether directly related to a student's major or serving as complementary strengths, marketable skills enhance career readiness and reflect TWU's commitment to producing graduates who are prepared to thrive in today's dynamic workforce.

1. **Typography & Page Design:** Master the aesthetics and function of typography and apply it to interactive, electronic, and printed page design.
2. **Updating and Using Relevant Computer Skills:** Build proficiency in current industry-standard software for 2D, 3D, and 4D design and imaging. Use 2D and 3D hardware for photographing, scanning, and printing portfolio/exhibition quality pieces.
3. **Professional Experience:** Through client projects, internships, and professional practices, develop professional graphic design experience, a marketable portfolio, and job-search skills
4. **Ideation & Visualization:** Develop a number of relevant ideas, expressed in verbal and visual language, about a topic for a client/intended audience.
5. **Networking:** Make graphic design industry and community connections through client projects, field trips, and workshops.
6. **Develop Objectives and Strategies:** Establish long-range objectives and specify strategies for graduate school application and/or success in the graphic design industry.
7. **Service Orientation:** Through Design Studio and client projects, engage in socially responsible and community-focused design that contributes to the common good.
