

# B.S. IN CHEMISTRY/ BIOCHEMISTRY (7-12 COMPOSITE SCIENCE TEACHER CERTIFICATION)

---

**Web Site:** <https://twu.edu/chemistry-biochemistry/undergraduate-programs/bs-in-chemistrybiochemistry-with-teacher-certification/>

Our flexible undergraduate degree plan with teacher certification combines liberal arts study with a chemistry/biochemistry concentration, teacher education coursework, and hands-on student teaching experience. This plan allows you to major in chemistry while also pursuing your teacher certification and a specialization in an almost unlimited number of other areas, such as business, journalism, biology, mathematics, nutrition, or computer science. We offer two options for certification: **teacher certification in physical science for grades 6-12**, and **teacher certification in science for grades 7-12**.
