

BACHELOR OF SCIENCE IN POLITICAL SCIENCE (POLITICS, POLICY, AND PUBLIC SERVICE EMPHASIS)

The Bachelor of Science degree in Political Science (Politics, Policy, and Public Service emphasis) provides an excellent foundation for proceeding to graduate programs in the field (M.A. and Ph.D.), to law school admission, or to careers in the public sector. Specifically, this degree provides a background for professional preparation in the following fields: library science, teaching at middle school, secondary school, or college level; work with archives; journalism; criminal justice administration; legal assistance; law school; foreign service, non-profit organizations; and administrative, federal, and state civil service.
