

BACHELOR OF ARTS IN MATHEMATICS (4-8 MATHEMATICS CERTIFICATION)

Web Site: <https://twu.edu/mathematics/undergraduate-programs/>

The Division of Mathematics at Texas Woman's University offers a Bachelor of Arts degree in Mathematics with 4-8 certification which will prepare you to become an exceptional math teacher in the middle schools. You will be taught the mathematics required for the degree along with activities and strategies that support teaching mathematics to middle school students. In addition, the Bachelor of Arts degree is designed so that you take either a foreign language or courses in bilingual education in order to better prepare you for the classroom. The need for quality 4-8 mathematics teachers is great and abundant career opportunities exist for qualified individuals. At TWU, small class sizes provide quality learning environments and active engagement with an outstanding and dedicated university faculty.
