

BACHELOR OF SCIENCE IN PSYCHOLOGY (PRE- OCCUPATIONAL THERAPY)

Web Site: <https://twu.edu/psychology-philosophy/undergraduate-programs/>

The B.S. in Psychology Pre-Occupational Therapy track is designed to prepare students for advanced degree work in allied health fields such as Occupational Therapy. Prerequisites for admission into the Occupational Therapy Program at TWU are embedded within the degree plan. Please see the graduate catalog for more information about the Occupational Therapy program, including the application process.

Marketable Skills

Defined by the Texas Higher Education Coordinating Board's 60x30 Strategic Plan (<https://reportcenter.highered.texas.gov/agency-publication/miscellaneous/thecb-60x30-strategic-plan/>) as, "Those skills valued by employers that can be applied in a variety of work settings, including interpersonal, cognitive, and applied skills areas. These skills can be either primary or complementary to a major and are acquired by students through education, including curricular, co-curricular, and extracurricular activities."

- Identify and utilize a variety of sources of information to solve problems; be able to apply different methods to collect and analyze data; apply analytical skills to summarize and draw findings from data.
- Present ideas in a clear, organized fashion both in writing and oral communication. Develop coherent written and oral arguments.
- Professional development skills, including project management and the ability to work in a team; ability to work collaboratively on complex projects; divide complex tasks down and monitor progress to completion; problem solve effectively with group members when obstacles are encountered.

Admissions

All applicants must meet the general undergraduate admission requirements (<http://catalog.twu.edu/undergraduate/admission-information/>).

The Application deadline for each semester is 5:00 p.m. the last day of finals as published on the Registrar's Calendar (<https://twu.edu/registrar/academic-calendars/>). Applications will be processed within three weeks of this deadline. Applications will not be accepted after the deadline and failure to meet this condition will require the applicant to wait until the next semester's processing-cycle for consideration. Please ensure your application has been submitted successfully by checking your TWU email for a confirmation of submission. If you have not received a confirmation email, please resubmit your application.

Additional admission requirements for the undergraduate psychology program are as follows:

- completion of 45 semester credit hours,
- completion of PSY 1013, PSY 1603, and PSY 2513 with a grade of C or higher; and PSY 2013 with a grade of B or higher,

- consistent adherence to the Psychology Program Code of Professional Conduct policy (https://docs.google.com/document/d/1SPMhuY7FHv0PkIrpFWZ-gxBaYct4NbInps_NoP59-D8/edit/) and (http://catalog.twu.edu/Mailto:https://docs.google.com/document/d/1SPMhuY7FHv0PkIrpFWZ-gxBaYct4NbInps_NoP59-D8/edit/)
- completion of the Psychology Major Application (<https://forms.gle/vMhVp2oA9tCFJUYj6/>).

Students will initially enter as pre-psychology majors. Acceptance into the Psychology program is contingent upon meeting departmental requirements. Many psychology courses require that students be a Psychology major prior to enrollment. Therefore, it is important that students complete the departmental admissions process as soon as admission requirements are met. Continued enrollment in the program is contingent upon completion of psychology and philosophy coursework with a C or higher and continued adherence to the Psychology Program Code of Professional Conduct policy (https://docs.google.com/document/d/1SPMhuY7FHv0PkIrpFWZ-gxBaYct4NbInps_NoP59-D8/edit/?usp=sharing).

Students must maintain a 3.0 GPA for the Bachelor of Science in Psychology (Pre-Occupational Therapy) degree plan. If GPA requirements are not met, students will be moved to the B.S. in Psychology degree plan.
