

# BACHELOR OF SCIENCE IN PSYCHOLOGY (SCHOOL PSYCHOLOGY ACCELERATED TRACK)

---

**Web Site:** <https://twu.edu/psychology-philosophy/undergraduate-programs/>

The B.S. in Psychology (School Psychology Accelerated Track) is intended for students who enter TWU with less than 24 hours. Students must maintain a 3.5 GPA to remain on this accelerated track. All students seeking admission should apply to the TWU Specialist in School Psychology Program in their Junior year through the department. If admitted at the departmental level, students must also apply through the Graduate School in the Spring of their Senior year. Please see the Graduate Catalog for information. If accelerated track GPA requirements are not met or if not accepted into the graduate program, students will be moved to the graduate preparation track.
