

# OFFICE OF ALUMNI ENGAGEMENT

---

The Office of Alumni Engagement (<https://twu.edu/alumni/>), within the Division of University Advancement, enriches Texas Woman's University's impact by serving as a gateway for all alumni of all identities, backgrounds, and experiences – across the state and globe – to create and deepen belonging to the Pioneer alumni family.

Alumni Engagement leads the coordination of alumni chapters and groups, facilitates alumni events and activities, and offers a variety of resources for alumni to be involved in the life of the university. Please visit the alumni website (<https://twu.edu/alumni/>), email us at [alumniengagement@twu.edu](mailto:alumniengagement@twu.edu), or call us at 940-898-2586 if you have any questions or are interested in discussing alumni engagement opportunities. We are located on the Denton campus at 1605 N. Bell Ave. We look forward to serving you!
