Marketable Skills

Defined by the Texas Higher Education Coordinating Board's 60x30 Strategic Plan (<https://reportcenter.highered.texas.gov/agency-publication/miscellaneous/theccb-60x30-strategic-plan/>) as, "Those skills valued by employers that can be applied in a variety of work settings, including interpersonal, cognitive, and applied skills areas. These skills can be either primary or complementary to a major and are acquired by students through education, including curricular, co-curricular, and extracurricular activities."

- a. Utilize effective strategies to increase literacy skills in children in the classroom.
- b. Demonstrate accurate use of portable audiometers to identify individuals with possible hearing loss.
- c. Provide appropriate therapy interventions to address speech and language deficits, under the direction of a licensed speech-language pathologist.
