Clinics

Speech, Language and Hearing Clinic (https://twu.edu/speech-language-hearing-clinic/) - Denton
The Speech, Language, and Hearing Clinic located on TWU’s Denton Campus provides assessment and therapeutic services to the University and Denton communities for a minimal fee. Master’s level graduate students under the direct supervision of licensed, certified speech-language pathologists and audiologists provide assessments and individual intervention for children and adults in the areas of language, literacy, speech sound disorders, accent modification, voice, stuttering, hearing loss, and feeding. During the summer, camps are offered for children with sensory/motor-based feeding disorders, language and literacy difficulty, fluency disorders, and speech sound disorders including childhood apraxia of speech. Discount rates are available for students and alumni.

For applications or further information about the Clinic, contact:

Speech, Language and Hearing Clinic
P.O. Box 425737
Denton, TX 76204-5737
phone: 940-898-2285
e-mail: comsclinic@twu.edu

The clinic is located in MCL 601 on the Denton campus.

The Stroke Center (http://www.strokecenterdallas.org/) - Dallas
The Stroke Center - Dallas was established in 1992 to provide treatment and training in neurological rehabilitation specifically for stroke and right hemisphere injuries. A core team of health professionals and graduate students provides outpatient services. Located in the T. Boone Pickens Institute of Health Sciences on the TWU Dallas campus, the Center operates five 6-week sessions each year. Assessment and intervention services include speech and language therapy, physical therapy assessment, and psychosocial counseling. A major focus of The Stroke Center is clinical research. Individuals may be referred by physicians, family, or self.

Dental Hygiene Clinic (https://twu.edu/dental-hygiene-clinic/) - Denton
Services of TWU’s Dental Hygiene Clinic are available to faculty, staff, students, and the local community. For a nominal charge, the Clinic provides the following services: Prophylaxis (tooth cleaning), periodontal therapy (deep cleaning), radiographs (x-rays), limited dental examinations and oral cancer screening, and oral disease prevention education and clinical treatment, including fluoride treatments and sealants. In spring, tooth whitening is offered. The Clinic serves as a laboratory for dental hygiene students, closely supervised by licensed, experienced dentists and dental hygienists. The clinic is located on the first floor of the MCL building on the Denton campus.
