Marketable Skills

Defined by the Texas Higher Education Coordinating Board's 60x30 Strategic Plan (<https://reportcenter.highered.texas.gov/agency-publication/miscellaneous/thecb-60x30-strategic-plan/>) as, "Those skills valued by employers that can be applied in a variety of work settings, including interpersonal, cognitive, and applied skills areas. These skills can be either primary or complementary to a major and are acquired by students through education, including curricular, co-curricular, and extracurricular activities."

1. Utilize critical thinking skills to apply evidence-based dental hygiene implementation measures and evaluate patient outcomes utilizing professional values and ethical principles.
2. Evaluate and analyze scientific literature as a basis for evidence-based practice.
3. Apply leadership skills for professional growth in clinical and alternative practice settings.
