

BACHELOR OF SCIENCE IN HEALTH STUDIES (PUBLIC HEALTH)

Web Site: <https://twu.edu/health-studies/undergraduate-programs/bs-in-health-studies/>

Health Studies majors who select the Public Health area of study can pursue employment in entry-level public health positions such as health educators, occupational health and safety specialists and technicians, environmental science and protection technicians, and epidemiologists. Graduates are eligible to take the CHES® Exam to become Certified Health Education Specialists. This track is also useful for students interested in entering a Master of Public Health (MPH) program following graduation.
