

BACHELOR OF SCIENCE IN KINESIOLOGY (EC-12 TEACHING/COACHING ACADEMY CERTIFICATION)

Web Site: <https://twu.edu/kinesiology/undergraduate-programs/academy-of-teaching-coaching-physical-education/>

If you want to become a physical education teacher and coach for any grade between early childhood and 12th grade, this kinesiology degree is the one for you. In addition to learning about teaching, coaching, strength training, and movement at specific education levels, you will get practical experience working with students of all ages as well as students with disabilities.
