## Marketable Skills

Defined by the Texas Higher Education Coordinating Board's 60x30 Strategic Plan (<https://reportcenter.highered.texas.gov/agency-publication/miscellaneous/theccb-60x30-strategic-plan/>) as, "Those skills valued by employers that can be applied in a variety of work settings, including interpersonal, cognitive, and applied skills areas. These skills can be either primary or complementary to a major and are acquired by students through education, including curricular, co-curricular, and extracurricular activities."

- a. Apply management theories and business principles to deliver programs and services.
- b. Conduct culturally competent interactions with clients, colleagues, and staff.
- c. Plan an effective health education/promotion program.
- d. Develop an effective evaluation plan for a health education/promotion program.
- e. Effectively communicate with a range of audiences in a health education/promotion setting.
