

BACHELOR OF SCIENCE IN NUTRITION (NUTRITIONAL SCIENCES)

Web Site: <https://twu.edu/nutrition-food-sciences/undergraduate-programs/bs-in-nutrition-nutritional-sciences/>

The Bachelor of Science in Nutrition (Nutritional Sciences) program is planned for students who are interested in careers in academia and research in nutritional sciences. This degree emphasizes basic sciences and is ideal for students who plan to seek admission to professional studies in medicine, physician assistant, dentistry, physical therapy, occupational therapy, pharmacy, or veterinary professions. In addition, the degree provides a foundation for further education at the master and doctoral levels for the pursuit of careers in industry, research, and university-level teaching positions. The program includes courses in nutrition, biology, chemistry, and mathematics.
