B.S. IN EARLY CHILDHOOD EDUCATION (EC: PREK-3 WITH ENGLISH AS A SECOND LANGUAGE)

Web Site: https://twu.edu/literacy-and-learning/bs-in-early-childhood-education/

Students completing the Bachelor of Science degree in Early Childhood Education take courses in early childhood development and methods to prepare for educational careers in a variety of early childhood settings. The course of study includes the requisites for seeking certification in the State of Texas as a highly qualified educator of young children. The undergraduate program requires a minimum of 120 semester hours.

EC: PK-3 with English as a Second Language

Students selecting this degree plan will take courses to prepare them to be elementary school educators who can teach all subjects in prekindergarten through 3rd-grade classrooms and specialized coursework to prepare for teaching students for whom English is a second language.

Undergraduate Student Advising

College of Professional Education undergraduate students seeking a Bachelor of Science in Early Childhood Education receive academic advising from the Office of Educator Preparation Services (OEPS). The OEPS provides advising in creating and following academic plans and supports students in their pursuit of academic success. Students should schedule regular appointments with an OEPS advisor (Stoddard Hall, Room 211) to create or edit a degree plan, to receive current information regarding specific degree or certification requirements, or to receive academic guidance and help. Because OEPS advising is by appointment only, appointment times fill quickly and students are encouraged to schedule advising appointments at least two weeks in advance. See the Office of Educator Preparation Services website (http://www.twu.edu/teacher-certification/) for additional degree and other OEPS information.

Marketable Skills

Defined by the Texas Higher Education Coordinating Board's 60x30 Strategic Plan (https://reportcenter.highered.texas.gov/agency-publication/miscellaneous/thecb-60x30-strategic-plan/) as, "Those skills valued by employers that can be applied in a variety of work settings, including interpersonal, cognitive, and applied skills areas. These skills can be either primary or complementary to a major and are acquired by students through education, including curricular, co-curricular, and extracurricular activities."

- Child Development- Utilize foundational theories, constructs, context, influencing factors, and characteristics of the development of children from birth to age-8 as part of a framework for applying developmentally appropriate decision-making.
- Family and Community Engagement- Understand and appreciate diversity in families and the role and importance of the family on young children's development. Collaborate with families and create

- community partnerships to support young children's learning and development.
- 3. Instructional Setting- Apply a developmentally appropriate framework to design positive learning environments that support all PK-3 children's learning trajectories. Create classroom climates that promote positive, caring relationships and contribute to the emotional development of interpersonal skills, autonomy, and initiative.
- 4. Educating All Learners- Implement strategies and practices that are developmentally appropriate while being culturally and linguistically responsive in order to effectively teach young learners in PK-3 classrooms in all pedagogy and content knowledge.
- 5. Data-Driven Practice and Formal/Informal Assessment- Select and design assessments that are ethically grounded and developmentally, culturally, and linguistically appropriate. Use those assessments to design instruction, monitor, and evaluate young learners in PK-3 classrooms. Collaborate with families and professionals to develop assessment partnerships.
- 6. Learning Across the Curriculum Understand the foundational principles, concepts, and methods related to specific content knowledge including Language Arts, Social Studies, Mathematics, Science, Technology, Fine Arts, Physical Education, and Health. Use developmentally appropriate practices and strategies as a framework to design and modify instruction.
- Professionalism As reflective practitioners, Intentionally engage in ethical practices and collaborate with other professionals and learning communities. Advocate and promote best practices for the education of the young child and the discipline of early childhood.

Teacher Certification Skills

- Appropriately explain the impact of effective planning and communication (within the chosen area of concentration) to relevant internal and external stakeholders in an education or community setting.
- 2. Identify, select, and implement entry-level instructional plans when serving as an instructor in the school setting.
- Successfully manage organizational and student behavior when teaching in the school setting.
- 4. Efficiently and accurately assess student progress and use data to develop and modify instruction for K-12 students.
- 5. Work effectively and collaboratively with students and families from diverse backgrounds.

Admissions

Teacher Certification

Application Deadlines

There are three application periods per year (Fall, Spring, and Summer). Students must have their applications in by the deadline the semester before they intend to take ECE 3223 (EC-3 only), EDUC 3003, EDUC 3482, or READ 4223 (EC-3 only). (see schedule below).

Spring Application Deadlines* (Admission to the EDUC 3000s Summer)

- · May 1 Deadline to apply for Summer admission
- May 31 Deadline for Transfer Grades, Grade Changes, or Any Other Requirement

Summer Application Deadlines (Admission to the EDUC 3000s Fall)

- · July 1 Deadline to apply for Fall admission
- July 31 Deadline for Transfer Grades, Grade Changes, or Any Other Requirement

Fall Application Deadlines* (Admission to the EDUC 3000s Spring)

- · December 1 Deadline to apply for Spring admission
- December 21 Deadline for Transfer Grades, Grade Changes, or Any Other Requirement

Guidelines

Please adhere to the following guidelines:

- We recommend preparing your application well in advance of the deadline. That way you will be able to identify and resolve any potential issues before the deadline date.
- If you intend to register early for ECE 3223 (EC-3 only), EDUC 3003, EDUC 3482, or READ 4223 (EC-3 only) for the Summer or Fall semesters and have met all admission requirements, it is recommended that you apply to the EPP by December 1.
- If you apply for admission to the Educator Preparation Program
 while enrolled in EDUC 2003 or are taking coursework to increase
 your GPA to a 2.75, the Office of Educator Preparation Services will
 process your application. If the GPA requirement, along with all
 other admission requirements are met at the end of the semester, an
 admission decision will be made at that time.
- No late applications will be accepted. If the deadline date falls on a
 weekend or a day that TWU is closed, applications will be accepted
 until 5 p.m. on the next day that TWU is open after the deadline day.

Requirements

In addition to the general undergraduate admissions requirements (https://catalog.twu.edu/undergraduate/admission-information/), to obtain acceptance into the undergraduate Educator Preparation Program (https://twu.edu/epp/) (and prior to taking ECE 3223 (EC-3 only), EDUC 3003, EDUC 3482, EDUC 4113, EDUC 4243, READ 4223 (EC-3 only), and Clinical Student Teaching) students must have:

- A cumulative GPA of 2.75 (includes all courses, whether posted to TWU transcript or used on a degree plan. Excludes developmental and repeated courses);
- Demonstrated basic skills in reading, written communication, and mathematics by meeting the requirements of the Texas Success Initiative;
- A minimum of 12 to 15 semester credit hours in the subject-specific content area for the certification sought;
- · Completed EDUC 2003 with a C or higher;
- Completed department application for admission to the Educator Preparation Program in Tk20;
 - Important: Purchase and creation of a Tk20 account is required (https://twu.edu/epp/tk20/)
- · Completed the Digital Literacy Pre-assessment;
- · Submitted a non-refundable Texas Education Agency Fee;
- Completed a Commitment Contract acknowledging awareness and understanding of the Professional Dispositions Policy and Educators' Code of Ethics;
- Successfully completed a pre-admission departmental interview with an interview panel; and
- Acknowledged and accepted admission to the Educator Preparation Program.

Please note:

- All accepted students must maintain the admission requirements to remain in the TWU Education Preparation Program.
- Admission requirements are determined by Texas Education Agency policies and are subject to change without notice.
- Students seeking Bilingual certification must meet minimum proficiency in Spanish.
- Students seeking Deaf/Hard of Hearing certification must meet minimum proficiency in sign.

All admission decisions are based on the successful completion of the above requirements. Conviction of a felony or misdemeanor other than a minor traffic violation may affect certification. Additional information may be obtained by contacting the Texas Education Agency (http://www.tea.texas.gov/). Any previous or current issues of academic dishonesty, disruptive behavior, or professional dispositions infractions at TWU, another university, or another Educator Preparation Program may result in denial of admission. Any decision may be appealed by contacting the Office of Educator Preparation Services at 940-898-2829.

Contact the Office of Educator Preparation Services (https://twu.edu/epp/) (OEPS) at copeadvising@twu.edu or 940-898-2829 with any questions.
