BACHELOR OF SCIENCE IN EDUCATION (NON-CERTIFICATION)

Web Site: https://twu.edu/education/teacher-education/bachelor-of-science-in-education/

The Bachelor of Science with a major in Education leads to careers as engaged, prepared, and professional educators. Students completing this degree take courses across multiple disciplines to prepare for educational careers in a variety of settings, depending on the specific degree selected. The undergraduate program requires a minimum of 120 semester hours. The specific number of hours required is determined by the degree plan selected.

B.S. in Education Non-Certification

Students selecting this degree plan will take courses to prepare them for a variety of positions in educational or community settings, including preschools, after-school service providers, community-based support agencies, and others. Students select a concentration area based on their interests (i.e., Business Leadership, Community Informatics, and Special Populations). This degree does not lead to teaching certification.

Undergraduate Student Advising

College of Professional Education undergraduate students seeking a Bachelor of Science with a major in Education receive academic advising from the Office of Educator Preparation Services (OEPS). The OEPS provides advising in creating and following academic plans and supports students in their pursuit of academic success. Students should schedule regular appointments with an OEPS advisor (Stoddard Hall, Room 211) to create or edit a degree plan, to receive current information regarding specific degree requirements, or to receive academic guidance and help. Because OEPS advising is by appointment only, appointment times fill quickly and students are encouraged to schedule advising appointments at least two weeks in advance. See the Office of Educator Preparation Services website (http://www.twu.edu/teacher-certification/) for additional degree and other OEPS information.

Marketable Skills

Defined by the Texas Higher Education Coordinating Board's 60x30 Strategic Plan (https://reportcenter.highered.texas.gov/agency-publication/miscellaneous/thecb-60x30-strategic-plan/) as, "Those skills valued by employers that can be applied in a variety of work settings, including interpersonal, cognitive, and applied skills areas. These skills can be either primary or complementary to a major and are acquired by students through education, including curricular, co-curricular, and extracurricular activities."

- Successfully implement entry-level instructional skills in the school setting.
- Successfully manage organizational and student behavior in the school setting.
- Successfully implement entry-level instructional planning skills in the school setting.

Admissions

All applicants must meet the general undergraduate admission requirements (https://catalog.twu.edu/undergraduate/admission-information/).
