

BACHELOR OF SCIENCE IN CHILD DEVELOPMENT

Web Site: <https://twu.edu/human-sciences/undergraduate-programs/child-development/>

The Child Development program prepares students for a variety of professional roles focused on serving the needs of children and their families. Potential roles include parent education, teaching young children, administration of children's programs, public and private agencies focused on children and families, early childhood intervention, child advocacy, and other roles requiring similar knowledge and skills.
