

BACHELOR OF SCIENCE IN FAMILY STUDIES (PRE- OCCUPATIONAL THERAPY)

Web Site: <https://twu.edu/human-sciences/undergraduate-programs/family-studies/>

The Pre-Occupational Therapy track of the Family Studies degree is designed to prepare students for a graduate program in occupational therapy (OT) or other allied health fields. Students graduate with a B.S. in Family Studies and will be prepared for a variety of careers serving the needs of families and communities. The degree does not include coursework in occupational therapy, but the degree plan includes the pre-requisite courses to be eligible to apply to an OT graduate program.
