

TUTORING CENTERS

Dr. Don Edwards Mathematics and Technology Success Center

The Dr. Don Edwards Mathematics and Technology Success Center (MTSC) assists students in reaching their educational goals through individual or group tutoring and computer-based programs. Located in MCL 307, this center provides tutoring to TWU students enrolled in any courses with mathematics or technology components, taking the computer literacy exam, or preparing to pass the TSI mathematics requirement. For more information, call 940-898-2169 or visit MTSC (<http://www.twu.edu/mtsc/>).

Science Learning Resource Center

The Science Learning Resource Center (<http://www.twu.edu/slrc/>) (SLRC) exists to assist students taking courses in biology, chemistry, and physics by providing tutoring and a wide variety of science-content resources for self- and group-study. Online tutoring for many science courses is provided through Tutor.com. The Science Learning Resource Center is located in the Ann Stuart Science Complex (ASSC) (<https://twu.edu/conference-services/our-facilities/ann-stuart-science-complex/>) on the Denton campus and includes a welcome study area, computers, and printing. For more information, email slrc@twu.edu (<https://catalog.twu.edu/Mailto:slrc@twu.edu>), call 940-898-2553, or visit SLRC (<http://www.twu.edu/slrc/>).

The Write Site

The Write Site, TWU's writing resource center, serves the entire University community, including graduate and undergraduate students, faculty, and staff in any discipline. Experienced writing consultants provide individual or group writing assistance in person, via our OWL Live Zoom sessions, and through OWL Post asynchronous/paper drop-off sessions. Consultants offer help at any stage of the writing process (brainstorming, prewriting, drafting, organization, and revision) as well as peer-led writing workshops and classroom support for faculty. For more information or to make an appointment, please call 940-898-2341, visit the Write Site website (<http://www.twu.edu/write-site/>), or download the Penji Scheduling app (<https://web.penjiapp.com/>).

Spanish Learning Support

Spanish Learning Support (SLS) is a tutoring community for students enrolled in Spanish classes at TWU. Housed in The Write Site, SLS offers in-person and Zoom tutoring sessions for Spanish class projects and homework, conversation practice, and test preparation. For more information or to make an appointment with Spanish Learning Support, please call 940-898-2341, visit the Spanish Learning Support (<https://twu.edu/write-site/spanish-learning-support/>) website, or download the Penji scheduling app (<https://web.penjiapp.com/>).

Academic Testing Services

Academic Testing Services (<https://twu.edu/testing/>) supports the mission of Texas Woman's University by providing professional, quality testing services to students and the community. The testing center follows the National College Testing Association (NCTA) Professional Standards and Guidelines (<https://ncta.memberclicks.net/>) and strives to provide conscientious customer service in a comfortable environment conducive to academic testing.

Services include proctored paper and computer exams and college readiness testing. Please visit the Academic Testing Services website (<https://twu.edu/testing/>) for more information and scheduling.
